Dear Parent/Carer,

Our school and Prestolee Multi Academy Trust is gearing up for a new survey in which we'll be giving you the opportunity to express your opinion on parent and carer engagement at Prestolee Primary School and your overall confidence in the school's strategy. Our goal is to continue to have open lines of communication where your voice is heard and together, we create the best learning environment for your child.

To complete the survey, please click here:

The survey is anonymous, and the responses will be aggregated for the purpose of analysis. The survey will be available until Friday 23rd October so please make sure to have your say and share your feedback over the next few weeks.

Your opinion and honesty are much appreciated and are a major part of our continual improvement. If you have any questions or concerns, please be in touch.

We look forward to your feedback!
